

# IMAGINING THE BRAIN 2006

A COMPETITION FOR SIXTH FORM STUDENTS OF SCIENCE & ART

*This year's themes are...*

## Membrane *or* Sculpting Consciousness

1st Prize £100 / 2nd Prize £75 / 3rd Prize £50

One of the winning entries will be invited to work in the laboratory at the beginning of the summer holiday, producing art to communicate the latest developments in science. The placement will be funded.

Further details of the competition can be found on our website at: <http://www.endocytosis.org/ImaginingTheBrain/>
